

We are often asked about walks in local area or from/to the campsite. Here are a few suggestions to consider.

Stated distance 6.53km (4.05 miles)

<https://explore.osmaps.com/route/3019972/night-walk--v2>

For those wanting something longer, you could use the above and add on;

Stated distance 6.53 +10.54km (10.6 miles)

<https://explore.osmaps.com/route/3233114/copt-oak-2>

or consider

Stated distance 13.78km (8.56 miles)

<https://explore.osmaps.com/route/3228463/best-of-charnwood-from-copt-oak>

or for those wanting something more challenging

Stated distance 15miles, plus approx. 300m from site via footpath to join this circular route between legs 11 and 12.

NOTE

Please do not rely on these published routes. You will need to undertake your own Risk Assessment and ensure you have accurate, up to date OS maps, and are competent in navigation. Some routes cross main roads and may have sections without footpaths at roadside.
